Parallel Body Will Have No Recognition

—TULSIDAS

Mysore, Sept. 8

Sri Tulsidas Dasappa, Secretary, Congress Parliamentary Party, today strongly deprecated the methods adopted by the rebel Congressmen in the State by defying the Congress High Command.

Speaking at a press conference, he said that what was happending in the State Congress today was "in utter disregard to the rules, procedures and healthy conventions developed in the party through decades of decent and disciplined conduct of men holding responsible positions".

"We have an elected President Sri Bramhananda Reddy at the national level and the members of the High Command are also elected members according to the party constitution. Whatever the High Command directs in its wisdom it should be adhered to and no Congresmen, whatever might be the position he is holding, should act on his own", he said.

Sri Tulsidas said that even if the directions given by the High Command were wrong, there were democtatic methods to follow. The majority or minority of the groups could be determined according to constitutional provisions. Hence, parallel committees or bodies had no place or recognition in the party.

Sri Tulsidas, who was still optimistic of approchement between the two rival groups, disclosed that he was meeting Chief Minister Devaraj Urs and KPCC President K.H. Patil at Bangalore today to make an effort for concilation. He had "some", proposals to make to the Chief Minister.

Later, he would leave for Delhi to meet the AICC President and members of the High Command to appraise them of the position in the State.

Enjoyable Recital

Friends' Music Association presented a recital by Smt. M. S. Subbulakshmi on Aug. 28 at the Jagan Mohan Palace Auditorium.

The recital began with a prayer addressed to Dakshina Murthe. Then came Sri Mahaganapathini in Gowla. That was followed by Kamavardhini and Bilahari. In Bilahari she sang Sri Chamundeswari, composed by Vasudevachar of Mysore. The major ragam was Kambodhi in which Oh Rangashayi was sung. Then followed bhajans in various languages.

One thing rare in her music is her superior voice which is ductile like gold, sweet like honey and free like the bird which soars into the heavenly regions. I wonder how at her age she maintains the sweetness of her voice, which has charmed the world.

If music is to be divine, it must be replete with raga, bhava, laya and spirituality. M.S possesses them in a proportion which pleases both the learned and the layman. The melody and mellowness of her voice together with the devotional attitude with which she charged her music, will linger long in the minds of the Mysore listeners. Smt Radha supported her vocally with faultless identity, while S Seshagiri Rao (violin), T S Mani (mridanga) and H.P. Ramachar (khanjira) did their best to make the recital effective.

Dissident's Claim "Exaggerated"

[From Our Correspondent]

Bangalore, Sept. 14

The Ministerialists - sponsored KPCC general body meeting will be held at Chandrasagar Kalyan Mantap here on Sept. 26 at 3-30 p.m.

All the 2 9 elected members of the PCC have been invited for this meeting.

The supporters of Chief Minister Devaraj Urs, who are making brisk arrangements for the general body, have also chalked out a series of regional political conferences beginning from Sept. 19, culminating in the general body.

One of the four such rallies, organised to demonstrate their strength, is scheduled to be held in Mysore on Sept. 19. Sri Urs will address the rally.

Sri K.B. Shiviah and Sri M.C.Perumal, Chief Whips in the Assembly and Council, yesterday ridiculed the claim made by the supporters of KPCC President K.H.Patil that 70 Congress legislators were backing them.

At a news conference, they said that the claim was "highly exaggerated" and was only a "figment of imagination". The fact that Sri Urs enjoyed the fullest support of the Legislature Congress Party had been amply demonstrated more than once in the recent past. A minority of legislators could not derecognise his leadership.

A memorandum was also submitted to the Deputy Commissioner.

Lull In Political Circles

[From Our Correspondent]

Bangalore, Sept. 17

With most of legislators and members of the Pradesh Congress having returned home for either Id or Ganesh Festival, a comparative calm descended in the state capital here today. The leaders are expected to be back by Monday or Tuesday, when there is going to be renewed activities in the party circles.

However, Chief Minister's group are going ahead with their plans for the general body meeting on Sept. 26, convened to elect a new President for the state organisation.

It is seen that any plans to go ahead with the 26th meeting would tantamount to the breach of discipline of Congress and may invite disciplinary action from the "Pradesh Congress", according to Sri Patil's group

It is learnt that KPCC is also planning to send circular to members warning them against attending the proposed meeting. It is not known the strategy of Sri Nanje Gowda, who is one of the invitees

No Confidence Against DCC Chief

Mysore, Sept. 20

Forty-nine out of 78 members of the Rural District Congress Committee have submitted a letter to DCC President S. Puttaswamy expressing no-confidence in him and urging for convening a requisition meeting within 10 days.

Disclosing this Sri Puttaswamy told newsmen yesterday that he had sought the advice of the KPCC on the request made by the members. He was also looking into the provisions of the party constitution.

Sri Abdul Nazeer, MLC, said that the demand itself was "unconstitutional" since many of their "friends" had given up constitutional methods.

SUJATA TEXTILE MILLS

P. O. NANJANGUD - 571 301 (Karnataka State)

FACTS ON THE INCIDENTS THAT OCCURRED IN
SUJATHA TEXTILE MILLS, NANJANGUD ON 8-9-1977

Since a distorted version of the incidents that happened at the Sujata Textile Mills, Nanjangud on 8-9-1977 has appeared in papers, the Management desires to give the following correct version of the happenings.

The Management claimed refund of instalment of A.E.C.D. amount from the Regional Provident Fund Commissioner in Karnataka, Bangalore. They did not receive the amount till 7th September 1977. Since the workmen were agitating on the said issue, in order to avoid any trouble & also to keep good Industrial Relations, the Management arranged disbursement out of their own funds on 8th September 1977. The disbursement commenced at 2-00 p.m. on 8th September 1977.

Immediately thereafter on the alleged complaint that they did not get full refund an unruly mob of 300-400 workmen belonging to the Mysore District Textile Labour Union formed themselves into an unlawful and riotus Assembly over the said payment and rushed into the office of the Factory Manager to assault him and other Officers of the Mills. The unruly mob on some information from outside ran out in all directions which brought about a train accident also with a death. The sequence of happenings prior to this incident clearly shows that this was a pre-planned attack.

The mob of workmen later returned and besides assaulting the Factory Manager inside his office dragged him out of his office and assaulted him again severely hitting him by stones, sticks, brickbats, flower pot pieces etc. When he fell down, with severe bleeding injuries, all over, one of the workmen sat on his body and attempted to kill him by throttling. Other officers of the Mills were also assaulted and received severe bleeding injuries. Many officers being scared, have left for outstations.

The unruly mob caused heavy damage to the building by breaking all the doors, windows etc, other properties of the Mills and cars They also attempted to burn one of the cars. The mob even went up to the Factory Manager's residence to assault his family members. The Mill area is completely filled with debris of glass pieces, wooden pieces, sticks, stones, chappals, brickbats and flower pot pieces.

The timely intervention of the police led by the Superintendent of Police Sri Subbaiah with all his personal help brought the situation immediately under control, as otherwise, there would have been further grave damage, to the personnel and property of the Mills.

Under the circumstances the Management was driven to a compelling situation of declaring a lock out of the Mills effective from 11-00 p. m of 8th September 1977, in order to save lives of personnel and property of the Mills. Such incidents have never occurred before in the history of the Mills.

Statue Of Jayachamaraja Wadeyar

Sir, - Today (23-9-77), three years ago, the unexpected news came over the radio of the demise of Sri Jayachamaraja Wadeyar. All were immersed in thoughtful sorrow at the loss of one who had carved a niche in the hearts of every citizen. A scholar, poet, philosopher and author, the late Maharaja created for himself a noble place in the hearts of all

May his enlightening memory be kept permanently by the erection of a statue by forming a circle where Devaraj Urs Road touches Jhansi Lakshmibai Road, in line with the statues of Sri Krishnaraja Wadeyar and Sri Chamaraja Wadeyar.

Governor Cites Role Of Universities

Mysore, Sept 27

Governor Govind Narain today called upon the universities to bear in mind the rural aspect of India and the need for integrated multi-disciplinary development.

Inaugurating the new premises, "Leela Vihar", of the Institute of Development Studies of Mysore University, he said that universities should not confine themselves into a narrow limit of four walls. They were not bound by territorial limits. They should remember that it was a wide field of intellectualism.

Laying emphasis on the rural aspect of India, he said that it was the duty of the university to study and analyse the problems of rural areas so that they could be tackledeffectively. These problems required to be tackled on a multi-disciplinary approach. Community Development programme was one such approach. But it failed mainly because the whole programme was hurried through after initial success, he regretted.

Although plenty of things had been done after Independence, the Governor said that so far as rural areas were concerned more things remained to be done for the upliftment of the poor and weaker sections.

Sri Govind Narain underlined the need for removing the barriers of low caste and high caste and the importance of social education for achieving this. Unless, we ensure the betterment of the have nots, the whole progress would be stultified, he warned.

Vice-Chancellor D. V. Urs, who presided, said that Mysore University was likely to get an assistance of Rs. 15 lakhs for development of agriculture in Hunsur.

Institute Director R.P. Misra welcomed and Registrar Abhya Prakash proposed a vote of thanks.

The Government had not taken any step to bring down the prices. Election had not been held to the City Corporation and the city's development remained neglected.

Inspite of several allegations, the Dasara Exhibition was being organised in the City this year also it said and urged the Governor not to provide any assistance from the Government for organising the festivities.

DEVELOP TASTE FOR LANGUAGES, NARAIN

Mysore, Sept. 28

Governor Govind Narain said yesterday that language should never become a dividing force but it should serve as a medium of expression to unite people.

Inaugurating the new printing press of the Central Institute of Indian Languages, he said that we should understand the purpose of a language. It was meant to understand each other. It could not be foisted.

Calling upon the intellectuals to leave aside the language controversy, he said a taste for other languages should be developed among the people by evolving simple and easier methods of teaching and learning of different languages. They should make a sincere effort to find out the meeting points. Reciprocation and exchange of languages should become a regular feature. "We can close our eyes to all the controversies on language. Time will solve the problem", he said.

Vice Chancellor D. V. Urs, who presided, said that the Institute had prevented during its eight years of existence the abuse of languages.

Palace Illumination

Sir,– On Independence Day and Gandhi Jayanthi day people who had gathered near the Palace were expecting to enjoy the Palace illumination. Some foreigners were also there expecting to see the wonderful sight. They were all disappointed.

After a good deal of thought and labour, late Maharaja Sri Krishnaraja Wadeyar got arrangements made for the illumination of the Palace, its surrounding temples and Clock Tower. Why this should be denied now, even after the take over of the Palace by the Government, cannot be understood.

Therefore, I request the Government to illuminate thePalace on all important days, including the forthcoming Deepavali, the festival of lights.

READERS' FORUM

Post Offices

Sir,- Apropos the press note issued by the Senior Superintendent of Post Offices, Mysore declaring the department's intention to open more post offices in the city, I would draw the attention of all concerned to the necessity to compel the City Improvement Trust Board and the Municipality to recognize the desirability to allot sufficient areas for public services such as shopping centres etc. besides post office in all new layouts. It would then be possible for the department to build offices and quarters for the staff to suit their convenience as in fact has been done in Saraswathipuram. Mysore South and near the Zoo. Banni Mantap area too is very much in need of such a building and the postal department would do well to negotiate with the concerned authorities to secure a suitable site

Broad Gauge Not Likely

[From Our Correspondent]

Bangalore, Oct. 7

Union Railway Minister Madhu Dandavathe yesterday ruled out the possibility of the conversion of Mysore-Bangalore line into broad-gauge for the present.

The conditions are that the land required for this purpose should be given free and Government should create a special fund for capital investment. In view of this, the proposal might ultimately be abandoned, he said.

For technical reasons, it was not possible to speed up the trains on this section, he added.

President's Rule In State Soon ?

Mysore, Oct. 10

Strongly critising the Urs' Government, he warned the public that Sri Urs, who had indulged in all sorts of corrupt practices, would go all out to win the forthcoming Assembly elections, because he was aware that if he lost in the elections he would have to face the same fate as that of Sri BansiLal. He inteded to spend Rs. 10 crores to win the elections. If the people wanted a clean Government with honest men, they should realise their responsibility and vote for the Janata Party, Sri Deve Gowda said.

Colleges Closed Indefinitely

Mysore, Oct. 15

All the city colleges, post-graduate departments and hostels have been closed indefinitely from today by the Mysore University.

The Syndicate, which discussed the situation arising out of the students' agitation yesterday, is reported to have taken this decision.

The students have continued their agitation for the sixth day. Eajaz Hussain whose condition is said to be "serious" is continuing his indefinite fast.

A four-member delegation consisting of T P Ashok, Srikantiah, Venugopal and Vijaya Shankar left for Bangalore today to meet the Chancellor and urge for his intervention and reopening of classes.

The students, who have reiterated their demand for reopening of the classes, have asked the students not to vacate hostels. They have described the university decision as "futile attempt to break the agitation". Students, including girls, are continuing relay hunger strike in batches.

TEACHERS JOIN STUDENTS' STIR

Mysore, Oct. 17

Demonstration and counter-demonstration by teachers marked the eigth day of students agitation today.

About 20 teachers including Dr. C. Parvathamma, President, Mysore University Teachers' Association, Prof. C. D. Narasimhiah, Prof. K. Siddalingiah, Dr. U.R. Anantha Murthy, Dr. Ramalingam, Sri K. V. Srinivas, Association Secretary, Chambi Puranik, Senate member, Smt. Sarvamangala began a token dharna before the Crawford Hall, supporting the students' agitation

Their four demands are cancellation of the appointment of Dr. Shrimali, immediate re-opening of colleges, judicial enquiry into the affairs of the university and till such time Vice-Chancellor D. V. Urs should step down.

While the dharna by both teachers and students was going on, another batch of teachers came in procession from Manasa Gangotri, holding placards, supporting the Vice-Chancellor and urging the other section of teachers to give up the dharna.

Drs. H.M. Nayak, Rajasekhara Setty, R.P. Misra, L. Basavaraju, J S. Paramashivaiah, M. Rajeswariah, K. S. Mune Gowda, were among the prominent teachers who came in the procession.

Prof. Rajasekhara Setty requested the teachers staging dharna to call off their dharna and help in solving the present crisis. Sri B. Damodara Rao refused to concede the request of Sri Setty. Meanwhile, students booed and shouted slogans against the teachers who came in procession supporting the Vice-Chancellor.

Meanwhile, students are continuing their agitation. Sri Eajaz Hussain entered eighth day of his hunger strike, and Ramamurthy and Raghavedra, the third day. Eleven students of Indology Department and 15 students of Banumiah's College have started relay hunger-strike.

SUJATA TEXTILE MILLS

(Prop : Bharat Commerce & Industries Ltd.,)

NANJANGUD

NOTIFICATION

19th October, 1977.

The Management has lifted the Lock-out of the Mills from 8 a.m. i e., commencement of 'A' Shift of 17th October, 1977. The attendance of employees has not been appreciably satisfactory so far and only about 50% of normal strength are reporting for work.

It has come to the notice of Management that although large number of employees are sincerely and seriously interested to resume work they are not doing so in view of threats given by some workmen and their representatives. The Management feels confident that there will be no problem whatsoever for any employee to come to the Mills and attend normal work We hereby assure that they will be given all support and they need not be carried away by any such threats. We hereby once again advise all employees who are to report for work but who could not do so, so far, that they should report for worki mmediately.

The representatives of Mysore District Textile Labour Union and workmen belonging to the said union have been spreading information that the Lock-out has been lifted by the Management voluntarily, without any conciliation wheatsoever. This is not true. The conciliation meeting was held on the 10th inst. Thereafter, the Government, after referring the matter of (a) dismlssal of 21 workmen and (b) payment of 20% Bonus for the Accounting year 1976, for adjudication, prohibited the continuance of Lock-out. When the matters are now left for judicial decision it will not be proper and fair on any party to continue to agitate on the said issues and abstain from work, We hope wiser counsel will prevail on all sections of workmen and that they should report for work immediately. We also once again appeal to the General Public of Nanjangud and surrounding areas to extend their full moral support to the large section of employees who are residents of their areas and enable them to safely attend work and thus help normal working of the Mills.

Dasara Procession Cancelled

Mysore, Oct. 21

The Dasara Procession, scheduled to be held tomorrow, has been cancelled.

Announcing the decision at a press conference this morning, Dasara Industrial and Cultural Exhibition President F. K. Irani and General Secretaries B. C. Lingiah and D. Jayadevaraje Urs said that this decision had been taken by the Exhibition Generel Council last night.

The procession had been cancelled in view of the disturbances in and around Mysore district, they said. Besides agitation in Mysore, disturbances were taking place in Mandya and Kollegal. Trains and buses were being stopped preventing people coming to Mysore. Any little disturbance during the procession might also up set the entire celebrations, they feared.

Denying it was a political decision, they maintained that the cancellation had been done in the public interest. They pointed out that they had already incurred an expenditure of about Rs. 60,000 for the procession.

Ganapathi In The Puranas

Mysore, Oct. 24

There are several Puranas which refer to Lord Ganesha, his origin, etc. Though there is some apparent contradictions in the details furnished by them, a closer study and understanding of the significance of several events would help reconcile these discrepancies, said Sri H. Lakshminarasimha Sastry, Sub Post-Master while speaking at the Sarvabhasha Saraswathi Sangha recently.

The huge pot-belly of Ganesha represents the vast store of knoweledge acquired by him; the mouse which he rides represents the ever-changing and fickle mind which he has kept under control and so on. We should try to understand and appreciate these significances, said Sri Sastry.

Prof. M. V Jambunathan welcomed the gathering. Sri K. Subbaraya, Retired Kannada Pandit, proposed vote of thanks.

Students Decide To Contiune Agitation

Governor's Assurance "Disappointing"

Mysore, Oct. 25

The Mysore University students, who are on strike for the last 16 days, have decided to continue their agitation, rejecting the assurances given by the Governor and the Chief Minister.

The students met at Crawford Hall today and considered the assurances given by the Governor as well as the Chief Minister. They adopted a resolution stating that "after 15 days of undue procrastination, the statement issued by he Governor that he would "look" into "some" of the charges is both disappointing and disagreeable to the students, because our main demand for the dismissal of the Vice-Chancellor remains unanswered. They appealed to the Governor to donsider their demand with a "little more" seriousness and urgency.

In another resolution, they criticised the way the police "rounded up" students from hostels and residence for negotiations with the Health Minister on Sunday night.

The engineering students have also decided to continue their strike and take out a procession tomorrow at 9a m. from Ramaswamy Circle.

Students' Demands Reasonable, Patil

Mysore, Oct. 25

Sri Patil, who met the students who are fasting and staging dharna at the Crawford Hall, also assured that he would do his best to get a reasonable assurance on their demands.

Expressing his sympathy with the fasting students, he appealed to them to give up their indefinite hunger strike and not to give room for any violence during their agitation. He also told them not to take the statement of the Chief Minister regarding their agitation seriously.

He was accompanied by Messrs L T. Karle, N. Hutchmasthi Gowda, Raghavendra Jagirdar, K. Kempaveere Gowda and S. Puttaswamy.

In a statement today, he strongly condemned the agitation by some people in Mandya "to regain their political prominence". The people in Mysore district would not tolerate such agitations any more and if the Mandya people continued their agitation the people in Mysore would be forced to launch a serious type of agitation, he warned.

Minister Asks Shrimali To Quit

Mysore, Oct. 26

Revenue Minister B. Basavalingappa appealed to Dr. K.L. Shrimali yesterday to "relinquish" his post as Visiting Professor in the Mysore University and help the "restoration of peace and tranquility" in the campus.

Addressing a press conference, he said he was opposed to the principle of accommodating politicians in universities. No politician should be appointed as a Visiting Professor or for any other teaching post. When a politician is appointed to such a post his views would be narrow and would not be fair in academic aspects of life.

He appealed to the university to reopen the colleges and create an atmoshere of peace in the campus. He also appealed to the students to return to classes and devote themselves to academic pursuit. He deprecated s me politicians making capital out of such a situation

Rejecting the claim of KPCC General Secretary Nanje Gowda that 64 MLAs were opposed to Chief Minister Devaraj Urs Sri Basavalingappa said that there was nothing new in his statement.

Mysore Bundh

Mysore Nov. 4

The Mysore bundh, a call for which was given by both the agitating students of Mysore University and Sri Azeez Sait, evoked mixed response this morning.

While many shops in the market area did business with half open shutters in the early business hours, some establishments fully closed shop. It is too early to say whether the bundh would be successful or not since even at 10 a.m. some students were seen appealing to shop owners to close their shutters.

The agitating students of Mysore University had given a bundh call last evening to protest against police atrocities on them.

Sri Azeez Sait, Transport Minister, also gave a call for Mysore bundh late last night to protest against the attacks on Smt. Indira Gandhi at several parts in the old Mysore areas.

Shrimali Resigns

Mysore Nov. 10

As indicated in these columns yesterday, Dr. K. L. Shrimali announced yesterday his resignation from the VisitingProfessorship of the Mysore University.

The Syndicate, meeting at Bangolore on Monday, had resolved to request Dr. Shrimali to relinquish the Visiting Professorship.

In protest against this decision of the Syndicate and the university's failure to honour the contract, Dr. Shrimali also announced that he was returning the degree of D.Litt., which the university had conferred on him.

Releasing his letter of resignation addressed to the Vice-Chancellor at a press conference, Dr. Shrimali described the decision of the Syndicate as "amazing".

He said that his appointment in the university was for one full year. By breaking this contract the university was violating all academic and ethical values and was setting up a dangerous and unhealthy precedent for the whole academic world.

Dr. Shrimali said that when he came to know of the controversy raised by students and some teachers he had offered to relinquish his post, but the university administration had persuaded him to stay on. They should have resisted the demand for his removal, he said.

He described the present agitation as "politically motivated" and squarely blamed the teachers for it. "The whole agitation is sponsored by the teachers. Some of them are out to destroy the university", he said.

There was an unparalled instance of a Professor leading a dharna and his son taking part in the disturances on Oct. 8 when he was to deliver a lecture, Dr. Shrimali criticised.

He refuted the allegation of the Akhila Bharatiya Vidyarthi Parishad that he prevented Sri Jayaprakash Narayan from entering the campus of Benaras Hindu University

He described the allegation of Janata Party General Secretary Ramakrishna Hegde that Dr. Malcolm Adiseshaiah and Dr. Chandy, who were in the panel of experts along with him, were not in favour of Sri D V. Urs for the Vice-Chancellorship, as a "wild and baseless allegation".

Students Likely To Call Off Stir

Mysore, Nov. 11

City colleges, which had been closed indefinitely on Nov. 2 following students' unrest, reopened today. Attendence in the colleges was thin and one or two colleges remained closed today also or Deepavali.

With two of their major demands having been met, the students, who are on strike from Oct.8, are likely to call off their agitation. While the Chancellor has appointed a commission of enquiry to go into the affairs of the university, Dr. K.L. Shrimali has resigned from the Visiting Professorship, following a resolution by the syndicate.

The student representatives of all colleges of the university are meeting tomorrow at 3p.m. at Maharaja's College Hostel to take a decision about the future course of action.

Both the Akila Bharathiya Vidyarthi Parishad and the district unit of the State College Teachers' Association have appealed to the students to call off the agitation since two major demands put forward by them have been conceded by the authorities.

Sri K.V.Arkanath, President, State ABVP and Sri B.S. Pandit, Joint Secretary, College Teachers' Association, have welcomed the resignation of Dr.Shrimali and the appointment of one man commission of enquiry.

The Teachers' Association has condemned the remarks made by Dr. Shrimali against the university teachers and also his decision to return the honorary doctorate.

DELEGATION ON VARUNA CANAL

Mysore Nov. 14

An all-party delegation from Mysore district is likely to meet the Prime Minister and appraise him the facts on the Varuna Canal.

In a press note, Sri D. Jayadevaraje Urs, President of All Party Varuna Nala Action Committee, said that a similar delegation will meet the Chief Minister to impress upon the Government to implement the project without further delay.

Sri Urs has appealed to the leaders of Mandya district, particularly Sri Shankara Gowda, not to come in the way of the Varuna Canal project since it would benefit a large number of ryots in the district. The inter State water dispute would not come in the way, he said.

Cong Leaders Urge For DCC Meeting

Mysore, Nov. 15

Five prominent Congress leaders of Mysore district, belonging to Chief Minister Devaraj Urs faction, yesterday demanded the immediate convening of the Rural District Congress Committee general body for electing a new President.

Addressing a news conference, Messrs D. Jayadevaraje Urs, MLA, D.M. Siddiah, T.P. Boriah, K.S. Suryanarayana Rao and M. Krishniah, General Secretary, Rural DCC, said that during their three-day tour in the district, commencing from Nov. 11, they had met a number of Congressmen and addressed taluk Congress committees explaining the present political situation.

Most of the Congress workers wanted that the present uncertainty in the party should end. If there was a split it should be at the national level and should not take place only at the State level. They were also of the firm opinion that the party could regain majority in the State, if only the Chief Minister lead the party, they said.

They claimed that out of 11 taluk Congress Committees, eight taluks, excepting Chamarajanagar, Gundlupet and K. R. Nagar, all the legislators, excepting Sri S. Puttaswamy and Sri Abdul Nazir, and "one and a half" MPs, were for the Chief Minister's leadership.

They warned that if Sri Puttaswamy, Rural DCC President, failed to convene the general body in about a week's time, they might convene a meeting and elect a new President.

Requisition Meeting Ruled Out

Mysore, Nov. 18

Sri S. Puttaswamy, President, Rural District Congress Committee, has rejected the demand made by the supporters of Chief Minister Devaraj Urs in the district to convene a requisition meeting of the Rural DCC.

Reacting to the statement made on Monday by Messrs D. Jayadevaraje Urs, D. M. Siddiah, T. P. Boriah, K. S. Suryanarayana Rao and M. Krishnaiah, Sri Puttaswamy said he had made it abundantly clear that there was no constitutional provision in the party to call a requisition meeting either to move a vote of no-confidence or seek a vote of confidence.

Endorsement to this effect had already been given to the signatories of the requisition. Moreover, he had already sought the advise of the PCC in this connection, he said.

It was a known fact that the Chief Minister was running a parallel PCC, ignoring the legally constituted PCC and its President. Therefore, there was no wonder that his supporters took the stand of demanding a requisition meeting, Sri Puttaswamy criticised.

RETURNING OF HONORARY DEGREE BY SHRIMALI :

Syndicate Annoyed

Mysore, Nov. 21

The Mysore University Syndicate has expressed its "utmost displeasure" over the returning of the honorary degree by Dr. K. L. Shrimali, while resigning as the Visiting Professor.

It has pointed out that the university had at no time received any letter from Dr. K. L. Shrimali indicating his willingness to relinquish his post or proposing to work without remuneration as Visiting Professor.

The Syndicate at its meeting at Bangalore on last Friday considered the resignation letter of Dr. Shrimali and while accepting his resignation it pointed out that the university had at no time failed to extend normal courtesies or to protect him from hooliganism.

It also pointed out that the university, had always been straight forward in dealing with Dr. Shrimali.

With these clarifications, the Syndicate has denied the charges made by Dr. Shrimali in his resignation letter.

Varsity Probe From Tomorrow

Mysore, Nov. 22

Sri Justice B. Venkataswamy, who has been appointed as the one-man commission to enquire into the affairs of the Mysore University, will commence the work of the commission here at the Chamundi Guest House from tomorrow.

Governor Govind Narain, who is also the Chancellor, told newsmen today that Sri Venkataswamy would be arriving here tomorrow.

Along with the appointment order, a schedule had been enclosed detailing the terms of reference of the commission. They were based on a number of representations made to him. If necessary the commission could add any connected matter to the terms of reference, he said.

Asked about the rumour that the Vice-Chancellor had resigned and also the report that he was proceeding on leave, the Chancellor said that he had no knowledge of it.

As regards the demands of the students regarding the semester, he informed that he had discussions with the Vice-Chancellor. A joint committee of Syndicate and Academic Council would be set up soon to sort out the issue with the students, he said.

In view of the loss of 42 academic days, he said that the university was likely to postpone the examinations.

Governor Watching Situation In State

Addressing a press conference, he said he had received a number of representations. As Governor, he was naturally reciprocal. He owned his duty and responsibility to the constitution and would act according to it.

To a question, the Governor replied that he had not sent any interim report to the Centre recommending the President's rule.

As regards the complaints of the students on police action on Nov. 2, the Governor said that he had asked the students to make a representation to the Chief Minister. He had also assured them that the judicial enquiry would be fair and impartial and the judge would have access to all records.

He expressed his happiness over the decision of the students to return to classes and hoped that peace and tranquility would prevail now in the university.

Popularising New Exhibition Grounds

Sir,– As an attraction to augment the Exhibition revenues, the children's train may even now be installed in the New Exhibition Grounds. This will attract children and parents.

After the exhibition, it is suggested that the Grounds may be treated as a park (calling it "Chamundi Park") and the Horticultural Department may plant suitable trees so that it will attract citizens during other months of the year and also add to the beauty of the area. The fine backdrop of Chamundi Hill will add lustre to this park and the exhibition authorities need not every year take a neglected ground to start the exhibition.

It is suggested that in this Chamundi Park, band, music concerts, dramas etc may be held during the non-exhibition months to attract people

Jagannatha Vijaya

Mysore, Nov. 28

"Rudra Bhatta, a Kannada poet of the 12th century has produced a poetic work of superior merit–the Jagannatha Vijaya–but unfortunately it has not received the publicity it deserves at the hands of Kannada scholars and critics, said Pandit K. Subbaraya, Retired Kannad Pandit while speaking at the Sarvabhasha Saraswathi Sangha here.

Rudra Bhatta was a great scholar in Kannada as well as Sanskrit, and his work bears ample testimony to his erudition in both the languages. His Kannada diction is simple, apt and elegant, chosen with judicious care, he said.

Earlier, Prof. M V. Jambunathan welcomed the gathering Dr. K. S. Rangappa proposed a vote of thanks.

Congress Disintegrating

—Chandrasekhar

Mysore, Dec. 2

The Congress which had entertained fond hopes that the Janata Party would disintegrate was destroying itself due to in-fights in the party, Janata Party President Chandrasekhar said yesterday.

Addressing a mammoth public meeting at Town Hall maidan, he said that Congress leaders were criticising that Janata Party was nothing but a combination of heterogeneous elements and it would not survive for even six months.

On the other hand, the Janata Party was going strong. This was possible for the party because of the people's strength.

He referred to the accusations of AICC President Brahmananda Reddy that the Janata Party was out to destroy the Congress and said: "We have no interest in you. You are destroying yourself".

Sri Chandrasekhar pointed out that Smt. Indira Gandhi was fighting Sri Reddy at the Centre and Sri K.H. Patil was fighting Sri Devaraj Urs in Karnataka.

He said Janata Party wanted the co-operation of everybody in the huge task of facing the new challenges and bringing about a new social order. Therefore, he asked the Congress Party to stop individual confrontation and co-operate with the Janata Party. "Let us forget it (our differences) and make a new beginning", he said.

Recalling his visit to Mysore six years ago as a Congress worker, Sri Chandrasekhar said that since then tremendous transformation had taken place in the country. He said that in every turn of history, Mysore had played a great role. He was confident that the people of Karnataka were ready to take up the new challenges before them.

State Janata Party President H D. Deve Gowda, who presided, charged that Chief Minister Devaraj Urs was harping on forming a new regional party with his "ill gotten wealth".

Sri Urs was emptying the State exchequer with his frequent political visits to Bombay, Delhi and Hyderabad, he said

Rural District Janata Party President M. C Basappa welcomed the gathering.

SEMINAR ON ENERGY CRISIS

Mysore, Dec. 5

A seminar on energy crisis in backward areas in Karnataka will be conducted by the Mysore Chamber of Commerce and Industry here at the CFTRI on Dec. 10.

Bangalore, Dec. 6

The Grover Commission resumed its sitting here today to probe into the alleged favouritism, shown by Chief Minister Devaraj Urs to his son-in-law M. D. Nataraj by alloting a land near Bommanahalli, 16 miles from Bangalore.

On representation, Justice Grover agreed to make the spot inspection later in the day. Memorialists also felt that spot inspection would be useful.

Sri Urs, in an affidavit, denied any favouritism to his son-in-law and maintained that the Government had granted the land.

The other allegations regarding allotment of sites to his daughter and land to Krishna Flour Mill would be taken up later on. Sri M. Nagappa, Public Prosecutor, is appearing for the Government, in place of Sri K S Puttaswamy, who has been appointed a judge of the High Court

Australia Wins By 16 Runs

In an exciting finish, Australia scored a meagre 16 run victory against India in the first Test at Brisbane today. Needing 341 runs to win, India who were 51 for one on Sunday, were all out for 324, just short of 17 runs. The tail-enders fought back and the ninth wicket partnership between Kirmani and Bedi yielded 43 valuable runs. Gavaskar scored a scintillating 113.

PATIL'S GROUP YET TO MEET

[From Our Correspondent]

Bangalore, Dec. 12

Little activity was seen this moning at the Edward Road Congress Office when KPCC President K. H. Patil's group were expected to meet and march to Raj Bhavan demanding the dismissal of Devaraj Urs Ministry.

This move by the distident seems to be doubtful in view of the latest developments in New Delhi. Sri Patil is expected to return today. His supporters are keenly waiting for him to know the High Command directions from Delhi. Any development is likely only after his return.

A prominent dissident leader told your correspondent that their action depended on Sri Urs' move Calling of the Assembly session would also give a big hand to them to show their strength But Urs men are planning their own strategy.

Govt's Indifference Criticised

Mysore, Dec. 12

The Federation of University and College Teachers' Associations in Karnataka has expressed its resentment and grave anxiety over the "inattention and callousness" of the Government towards the pressing problems of University and college teachers in the State, and averred that sole responsibility for all hardships caused to students and their parents by the teachers examination boycott agitation lay squarely on the Government.

Federation President M Sathyanarayana Rao said in a statement here that whereas the valuation of answer scripts relating to Bangalore University degree examinations held last month was at a standstill for over a month now, any continued rigid attitude of the Government might mean the holding up of all work connected with the supplementary examinations of Mysore University scheduled to begin later this week.

Scarcity Of Drinking Water

Sir, - The residents of 2nd Cross Road, Saint Annamma Temple Street are experiencing great hardship owing to the serious scarcity of drinking water in the area. Scarcity of water has been a regular feature and the agony caused to the residents is indescribable

Representations have been made repeatedly by the house holders in vain. When other localities are getting ample water throughout the day, we are denied of the basic need like water, although we are all regular house tax and water tax payers.

I shall be highly obliged if the authorities concerned take steps to ensure regular supply of water to the residents and alleviate their hardship The people in the area look forward to an expeditious redressal

Fall In Exhibition Income

Mysore, Dec. 15

So far Rs. 2.30 lakhs had been collected by way of gate money in the Dasara Exhibition, Exhibition General Secretaries B. C. Lingiah and D. Jayadevaraje Urs said today.

Addressing a press conference, Sri Lingiah said the collection in 1976 was Rs. 3.42 lakhs and in 1975 Rs. 4.46 lakhs. The income from stall rent this year would be Rs. 5.20 lakhs, as against Rs. 3.68 lakhs last year. The total expenditure on the exhibition was about Rs. 4.5 lakhs.

Both Sri Lingiah and Sri Urs blamed the KSRTC authorities for not providing public conveyance to the exhibition, inspite of repeated requests and direction by the Transport Minister. This had resulted in the revenue of the exhibition considerably coming down this year, they said.

The KSRTC authorities had no control whatsoever on their staff, they criticised.

The monthly cultural programme would be revived soon and the exhibition area would be developed as a garden. The 63 day long exhibition, which was scheduled to conclude on Dec 25, was likely to be extended up to Jan 9, Sri Lingiah said.

NEW PARTY HAS MAJORITY, SAIT

Mysore, Dec. 15

Transport Minister Azeez Sait, who announced the split in the Indian National Congress in Bangalore yesterday, said here today that their group had the majority support of the Congress members at all levels–the State legislature, PCC, CWC and Parliament.

Speaking to newsmen, he said that the new split, like the one in 1969, was inevitable. This had to take place as soon as possible in view of the forthcoming elections in the State.

The split in the party would take place "immediately" in Karnataka under the leadership of Chief Minister Devaraj Urs and in Andhra Pradesh, where the responsibility had been assigned to Dr Chenna Reddy. "Smt. Gandhi is very much with us and she will resign from the CWC in a day or two", he said.

Sri Sait said that they remained very much "Congress" as in 1969. "As we stood firm then, we will stand firm now also", he said. The convention of the new party would be held at all India level in the next 10-15 days' time in New Delhi. Like-minded persons had been met already, he said.

As regards Karnataka, he said the Urs' Ministry would continue so long as it enjoyed majority. Majority of the Ministers and legislators were with Sri Urs, so also the members in the PCC, DCC and block congress committees. Sri Urs is returning to Bangalore this afternoon from Delhi.

Neem—A Tree Of Bounty

The Neem tree, a native of India and ever-green, is known for its varied scientific properties. In rural areas Neem sticks are used as tooth brush and the leaves of the tree are used in the foodgrain containers to save stored grain from pests. Neem oil, which is extensively used for soap making, is available from neem kernal which is obtained from the mature seed. After extraction of Neem oil, the coagulated remains make what is called Neem cake.

It is estimated that in India there are 1.38 crores neem trees. These produce about 4.18 lakh tonnes of neem seed every year and it can yield 83 lakh tonnes of oil worth Rs. 33 to Rs. 50 crores and 3 30 lakh tannes of Neem cake worth Rs 14 to Rs. 20 crore, provided the entire seed crop is collected. However, the present seed collection is very indifferent. It is no more than a meagre one lakh tonnes, roughly.

The Directorate of Non-Edible Oils and Soap Industry of the Khadi and Village Industries Commission had been carrying out research in Pune on neem cake and neem oil since 1969. The object was to utilise the neem cake in agricultural production and oil for the protection of seeds and grains from stored grain pests.

Application of neem cake blended Urea in paddy crop not only increases the yield of paddy but also adds to the protein content of rice The findings at Padegaon Sugarcane Research Station in Maharashtra have given promising results.

About 18,000 tonnes of neem oil are reported to have been made use of in soap making during 1975. Neem oil is used in some medicinal preparations besides, and due to its insecticidal property it is also effectively used as a pesticide.

Neem kernel meal after some processing, yields high grade protein suitable for use as a constituent in poultry feed.

Ex-MLAs Due 12 Lakhs

[From Our Correspondent]

Bangalore, Jan. 6

Consequent to the abolition of the State Assembly, a piquant situation has arisen regarding the amounts outstanding from the former Assembly members.

It is reliably learnt that over Rs. 12 lakhs are due from them for their long term of stay in the several Legislature Homes Now it has become a big problem for the Legislature Secretariat as to how to recover this huge amount.

When some members approached the authorities to have their salary due to them till the abolition of the Assembly, they were politely told to wait for some more time since it needed pre-audit and outstanding dues from them had to be adjusted

There is provision under law to recover the outstanding amounts from the members under Land Revenue arrears

Students Oppose Open Varsity

Mysore, Jan. 9

The Manasa Gangotri Students' Union has urged the Mysore University to abolish the open university scheme forthwith.

In a resolution, the Union pointed out that awarding of common degree certificates to both the open university and regular degree students had no parallel and minimised the employment opportunities of the younger qualified people.

It urged the university to differentiate between the regular students and the students of postal courses by issuing separate degree certificates to correspondence course students. Otherwise, it warned that "alternative steps" would be taken to safeguard the interests of students.

The Union, in another resolution urged the university to withdraw all the third class M.A. and M Sc degrees awarded hitherto and revalue the answer scripts as it had done in the case of First M A. Sociology students of correspondence course.

S. Varadachar, retired High School Head Master while speaking on "The Message of Vedanta Desikar" at the Sarvabhasha Saraswathi Sangha here recently.

Visishtadwaita Philosophy is very much the same as Adwaita Philosophy, except that the Jeevatma or soul is regarded as quite different and distinct from the Paramatma or the Almighty God, occupying a lower status, and does not ultimately merge into the Paramatma, as maintained by Adi Shankaracharya, he said.

India Wins By Innings & 2 Runs

India achieved yet another first on the Australian soil when it defeated Australia by an innings and two runs on the last day of the fourth Test at Sydney today.

After being two-down India has made a great recovery and levelled up the series by winning the last two Tests. The crucial six-day fifth Test will commence from Jan. 28.

It was Ghavri who brought victory for India today by claiming both the remaining wickets. Australia batted only 22 minutes and took the score from 243 for 8 to 263 before they were all out. Overnight batsman Toohey was caught by Madanlal when he was 85. Thomson was bowled by Ghavri for 16. Gannon remained not out without any score.

VICTORY HAILED

India's innings victory is hailed by cricket fans all over. According to our Bangalore Correspondent, overjoyed Cricket Control Board President Chinnaswamy, in a message, has congratulated India and paid rich tributes for its magnificent first-ever innings victory. He has hoped that India would repeat its performance in the final Test and win the rubber.

DROP NEW BYE-LAWS

Sir, – Apropos to news item published in your esteemed paper dated Jan 10, I would like to remind the political parties and the public in general that when the water supply bye laws were introduced by the Mysore City Municipalily the same was dropped owing to various lacunace in the bye-laws. The same is now being introduced by the City Corporation with no major changes. Moreover wide publicity is not given to enlighten the public.

Hence, it is high time that the political parties and the public should put forth their objections before Jan 28 and agitate for the dropping of the proposed bye-laws as it is against the provisions contained in the Mysore City Corporation Act.

High Denomination Notes Demonetised

Notes of the denomination of Rs 10 0, Rs. 5,000 & Rs 10,000 have ceased to be legal tender from today.

This decision was taken at an emergent Cabinet meeting yesterday held in utmost secrecy. Following this an Ordinance was issued by the President to the effect

This step has been taken as these high denomination notes are believed to facilitate "illicit transfer of money for financing transactions harmful to the national economy".

All banks and Government treasuries have been closed today.

This is first time since Independence that the Government has demonetised high denomination notes. The amount expected to be affected is about 2%, ranging from Rs. 150 to Rs 200 crores.

Even God Cannot Escape

Sir,-The other day I read in the papers that the daily pooja at Sri Lakshmiramanaswamy Temple in the fort complex has been stopped and the pooja ceremonies which were going on from time immemorial have come to an end. On enquiry I learnt that after a break of about a week the poojas have been resumed

This is an ancient and important temple built during the reigns of Sri Raja Wadiyar and Mummadi Krishnaraja Wadiyar for which poojas were going on regularly With this break, it looks as though destiny is not kind even to God This break in the ceremonies is regrettable. I hope that the concerned authorities would take steps to prevent such occurrences

Devotional Music By Ubhayankar

A music performance by Smt. Lalitha Ubbayankar had been arranged by the Mysore University on Ian. 9.

The musician, who is well-versed in northern music, devoted herself to Bhakti Gita from beginning to end She gave a good introduction to the place of Bhakti music in the realisation of the self, which alone matters for a wise human being.

The softness and fluctuations of her voice and the Bhakti-Bhava she brought to bear upon her singing lifted the audience from the mundane world and made it appear that good music alone contributes to peace and understanding. She was ably assisted by Smt Radha Sudhir on the harmonium and Tabla Seenappa on tabla

It was in this context that private vidyashala had a vital role to play.

Explaining the task of private eductional institutions, the Minister said that their endeavour should be to improve the moral fibre of the students. With this in view the stories and teachings from Puranas and Ithihasa as also from the parables and teachings of great men like Ramakrishna Paramahamsa and Swami Vivekananda should be disseminated during the formatives years to enable children of today to grow into ideal citizens of tomorrow and enrich our cultural heritage.

Praising the achievements of Sri Ramakrishna Vidyashala, Sri Shanti Bhushan expressed the confidence that it would grow from strength to strength.

Swami Ranganathanandaji, President, Ramakrishna Math, Secunderabad, who was chief guest, regretted that values had deteriorated in all walks of life, including education and stressed the need for developing conviction, character building and assimilation of knowledge.

The Minister also declared open the newly constructed Rs. 7-lakh auditorium and a philatelic exhibition.

Swami Somanathananandaji welcomed the gathering. Swami Sureshananandaji read a report. Sri Nanda Kumar, a ninth standard student, spoke on Sri Ramakrishna. Headmaster B. S. Srikantiah proposed a vote of thanks.

Upgrading AIR Station

Mysore, Jan. 21

The question of upgrading the Mysore AIR Station depended upon the availability of resources, Information & Communications Minister L.K. Advani said here yesterday.

Speaking to newsmen, he said that the question was whether to upgrade the Mysore Station or set up a separate station for Coorg, which remained uncovered by the A I R. These matters were being examined.

He agreed that Mysore certainly had a case since the Station here was one of the earliest stations to be started. Besides, the availability of artistic talent in Mysore was very rich.

As regards TV, it could not have a high priority for the present. It would be possible to cover a wide area only after launching of the satellite in 1981, he said.

He indicated that Bangalore would get preference over other centres in having a Censor Board office since it had greater facilities and most of the films were entirely produced in Bangalore alone.

Sri Advani said that the censor rules had not been liberalised, but they had been rationalised.

An office of the Press Information Bureau was proposed to be opened at Hubli, he said.

As in the Lok Sabha elections, there would be election broadcasts during the ensuing Assembly elections and all political parties would have equal opportunities, he added.

Dr. P R. Kulkarni, Director, All India Institute of Speech and Hearing, yesterday denied the allegations by a section of the students on the working of the Institute as "baseless, distorted and false".

In a rejoinder he said it was a pity that inspite of continuous conciliatory efforts by the authorities, a handful of people were bent upon creating choas and to denigrate the authorities and the fair name of the Institute.

Defending the setting up of an ENT Hospital, Dr. Kulkarni said that the Institute placed outside a medical milieu, was "stagnating" and was not going in a proper direction. With the establishment of in ENT Out-patient Clinic at the Institute and a 20-bedded ENT unit attachment at the K.R. Hospital, the Institute's services had made tremendous impact on the community.

Bitter Attack Of Janata By Indira

Mysore, Jan. 30

Smt. Indira Gandhi kept up her scathing attack on the Janata Party in her public speeches at Bannur and Mysore today, the third day of her election campaigning in Karnataka.

Addressing a public meeting at J.K. Grounds, Smt. Gandhi said that the Janata Party had given up the policies of socialism and secularism, for which Mahatma Gandhi had laid a strong foundation, and also the policy of non-alignment, which had been added as the nation's third policy by Sri Nehru.

The Janata Party, on the other hand, had whipped up atrocities against Harijans and Muslims and was harrassing the police the officials. It had failed to control the prices and the law and order situation had deteriorated in the country, she accused.

Explaining the cause for division in the Congress Smt. Gandhi said that those who had no faith in the Congress policies had left the party and had now joined hands with the Janata Party.

This was the time for all those who believed in socialism to stand together to control the "mugly crowd" which called itself a Government, she said.

At Mysore, Sri B. N Kenge Gowda welcomed the gathering. Sri K. Made Gowda welcomed her at Bannur. Sri D. Kemparaj Urs translated her speeches.

Her speech at Mysore was interrupted by booing and cat calls Tight security arrangements had been made.

READERS' FORUM

All India Institute Of Speech & Hearing

Sir,-As one who has visited the AIISH a few times as a guardian and benefited immensely by the treatment received at the institute by a child born deaf and a teenager who has suffered from loss of hearing for some years I was taken aback to read the news item featured in the issue of the 24th of your esteemed daily.

From the point of view of patients it is hard to believe that those who suffer from impediments in speech or hearing can be juggled with to overcome their shortcomings without treatment being first given to overcome and remedy physiological defects.

From the point of view it would seem that the present arrangement whereby the institute depends on the K R Hospital for surgical facilities is wholly unsatisfactory. A full fledged operation theatre should be set up at the institute without undue delay. It would then be a different matter to encourage development of other measures to rehabilitate patients who do not need surgical intervention.

PROTEST BY PRESSMEN

Mysore, Feb. 9

A group of pressmen yesterday walked out of a "press conference" convened by a Janata Party Assembly candidate protesting against the way they had been misled to attend a meeting.

The candidate, Sri K Puttaswamy, had requested the newsmen to meet him at the Election Propaganda Office of Chamaraja Assembly Constituency. They had been informed that the City Janata Party President and the General Secretary would also be present.

The pressmen went in time for the press conference and they found to their surprise a group of Janata Party workers and same ladies present there. Sri Puttaswamy explained that the women present there were going to join the party at a brief function, for which the pressmen too had been invited.

When pressmen protested against this dubious way, Sri Puttaswamy took them to a small room and said that in Mysore a large number of Muslims were supporting his party. Meanwhile, slogans were heard outside the office against the candidate.

City Janata Party President Srikanta Sharma, who came when the press conference was on, said that he had no knowledge of the press conference and he had come to attend the function. Newsmen walked-out of the office protesting against the way they had been treated.

Cong Is A Burning House Today, Ram

Mysore, Feb. 10

Union Defence Minister Jagjivan Ram asked the people of Karnataka to vote for Janata Party if they wanted a stable, honest and progressive Government in the State.

Addressing a mammoth public meeting at Town Hall maidan, he said that the Congress was a burning house today. The united Congress had divided into Brahmananda Reddy Congress and Indira Gandhi Congress at the national level, while at the State level it had split into Devaraj Urs Congress and K H. Patil Congress.

In Karnataka one thing was clear and that was Urs wanted to defeat the candidates of Patil and Patil wanted to defeat the candidetes of Urs. "Urs wants to burn the Patil Congress and Patil wants to burn the Urs Congress. Both the Congress houses are on fire", he said.

Sri Jagjivan Ram said that no wise man would try to enter into a burning house, because there was every danger of that person burning himself. Therefore there was no other alternative to the people except to enter the Janata house, which belonged to the people themselves. That was why he had come to invite them to come to the house of Janata by voting it to power.

Describing Devaraj Urs as a "very faithful agent" of Smt. Indira Gandhi, he said Sri Urs was a bold man because he did not care for any criticisms "He is a man from your district, your town You know him better than I do. I do not wish to waste time by making comments on him". Sri Ram said.

Explaining the achievements of the Janata Party, he said its next step was to launch the economic and industrial programme which it had placed before the people

City Janata Party President Srikanta Sharma presided General Secretary Vedantha Hemmige welcomed the gathering The party candidates contesting the elections were also introduced.

Janata Will Put Back State On Right Lines

Mysore, Feb. 11

The ensuing Assembly elections have great importance for Karnataka as well as for the whole of India, Prime Minister Morarji Desai said yesterday.

Addressing a mammoth public meeting at J. K Grounds, he said that Karnataka too, as at the Centre, had a one-person rule. One individual combined in himself both the Government and the Congress. People here knew what kind of Government was in power during the last six years.

He warned that if that Government was returned to power, people would never get freed from corruption. There was a commission which was looking into these charges. It had already given an interim report, he said. He also defended the imposition of President's rule.

The Prime Minister assured that if the Janata Party was returned to power it would see that all wrong things done by the previous Government, particularly corruption, which had become a "great art" then, would be removed. "We will see that Karnataka will go on the path of progress far more speedily and quickly", he said.

Detailing the achievements of Janata Party, he said that India's reputation had risen sky-high in the international sphere. It would also have good relations with her neighbours, including Pakistan It would strive hard to raise the level of rural India and remove poverty and hunger.

Sri Desai, who was moved by the huge crowds waiting both at the public meeting and on the road sides, although he came 90 minutes late, said. "I must admit that I have no words to express my gratefulness The whole city has greeted me tonight I can only say I will strive to serve you with greater dedication. For me, God means people. I seek your blessings to serve you better".

Janata Party Publicity Committee Chairman P. Mallesh welcomed. President Srikanta Sharma presided General Secretary Vedantha Hemmige proposed a vote of thanks.

CAMPAIGN YET TO PICK-UP

Mysore, Feb. 14

With hardly ten days left for the Assembly election propaganda to come to a stop, the poll campaign remains dull in Mysore City.

Only a few vehicles are seen on the road appealing to the voters to cast their votes in favour of the party candidates. Posters are yet to make their appearance. Only a few buntings are seen here and there.

The candidates of all the major parties and even Independents are banking on personal contacts with the voters. They are busily engaged in door-to-door approach. The candidates have already completed their first round of door-to door campaign in their areas of stronghold.

While the election meetings of other parties held so far are very few in number, the Janata Party appears to be taking a lead in organising as many propaganda meetings as possible. This time it is concentrating more in the rural areas, by arranging the visits of the party leaders to important rural centres.

READERS' FORUM

Sir,- The Mysore City Corporation should be congratulated by the public of Mysore for constructing a number of "Urinals" in all the important places of the City for the benefit of the general public.

For a very long time in the history of the Mysore City Municipality (which is now upgraded as a Corporation), a Commissioner of the Mysore City Corporation has utilised the General Sanitary Cess in the right direction and we say this is a useful expenditure from the taxpayers' point of view and the urinals have been constructed beautifully befitting the city of Mysore.

Care should be exercised by the City Health authorities that these newly built 'urinals' are maintained in an hygenic condition by cleansing the urinals by using disinfectants twice a day.

The inaugural function of the national symposium on Microchemical Techniques, organised by the Mysore University Department of Chemistry, was marred yesterday.

When garlands were being offered to the chief guests, Vice-Chancellor D V. Urs and Prof R. D Tiwari, Head of the Chemistry Department of Allahabad University, a group of students rushed to the dais shouting slogans against Sri Urs.

One of them took hold of the mike and said that they had "derecognised" the Vice Chancellor since the one man committee which had been appointed to look into certain charges levelled against him was presenting an interim report shortly and according to reliable information they had some of the charges had been upheld by the committee. The students also distributed leaflets in the auditorium.

Following the disturbance, the Vice Chancellor made a very brief inaugural speech

SWING IN FAVOUR OF JANATA?

Mysore, Feb 24

Will the Congress which had held the seat of power in Karnataka retain its position, or will the Janata Party, which overthrew the Congress at the Centre, secure the reins of administration in the State?

A clear picture can be had only on Feb 26, when the results start coming in from different constituencies in the State.

The election propaganda, with a number of Janata leaders making flying visits to so many places in the State, appears to have brought about a gradual swing in favour of the Janata Party, improving its hopes of coming to power in Karnataka.

In Mysore District, former Chief Minister Devaraj Urs and his rival Dr. H.L. Thimme Gowda are engaged in last-minute efforts to sway the voters in their favour. Both fail to say confidently about the outcome. The fight is very close and only a "short-head", win is predicted.

The victory of Gangadhar, the Janata candidate, in Krishnaraja (MysoreCity), is claimed a cerntainity. His chief rival K.S. Suryanaraya Rao is equally confident, particularly after the statement of Defence Minister Jagjivan Ram.

The gradual swing in favour of Janata is clearly visible in Narasimharaja, where the key contestants are Azeez Sait (Congress-I), Ilyas Ahmed (Janata) and M.Govindappa (Reddy Congress). Following the visit of a number of leaders to this constituency, the feeling among the Muslims that they should join the mainstream is gaining ground, it is said.

Janata has little hopes in Chamaraja, where veteran K Puttaswamy is facing tough fight from former CITB Chairman B.N. Kenge Gowda Puttaswamy is a seasoned politician. "Will he lose?" - that's the question. Another Janata candidaie who is certain of his victory is M. Rajasekhara Murthy in Chamundeswari

Cong (I) Car Attacked

Mysore, Feb. 24

A group of Janata Party workers are alleged to have attacked a car belonging to Congress (I) candidate near Jayanagar Railway Gate last night.

According to Sri K. S. Suryanarayana Rao, the candidate contesting from Krishnaraja, some Janata Party workers attacked his car and tried to damage it by hurling stones. Meanwhile, police come to the spot and averted a clash.

A Janata Party leader, who also rushed to the spot, is said to have given a letter to Sri Rao expressing regret over the incident. According to the Janata Party leader the letter was given in order to avoid a clash and maintain good relationship

Allotment Of Sites, Probe Demanded

Mysore, March 3

A probe into the working of the City Municipal Corporation, particularly into its functioning during the last few months, was demanded by Sri D. Jayadevaraje Urs, MLA, yesterday.

Addressing a news conference, he said that the Corporation had 'suddenly' started alloting land sites in Kumbara Koppal. The distribution had been dropped as early as in 1961 following public objections. Ignoring all norms, the Corporation authorities were distributing the sites in a great hurry, Sri Urs alleged.

Describing the period of President's rule in the State as a "black period", he criticised the Governor's order for an enquiry into the affairs of the Dasara Exhibition following a complaint by "an individual". Even policemen had been posted at the Exhibition area, he said.

This had been done with the intention of brining black mark to him as Exhibition General Secretary, since he was contesting the elections, he said.

The majority of Congress legislators favoured a small Ministry with a strength of about 22 Ministers in the State, he said.

They were also opposed to the merger of the two Congress parties, since the people in Karnataka had given a clear mandate to the Congress (I) and its policies. If the merger took place at any level, it would lead to a further split in the party, Sri Urs added.

Non-Supply Of Sugar

Mysore, March 3

Messrs P. Nagaraj, R G. Shamanna, B.A. Belliappa, Conveners of the City Consumers' Co-operative Societies Welfare Association met the Food Assistant yesterday and explained the difficulties caused to the consumers in the city due to the non-supply of sugar following revision of sugar price. They also requested him to include the balance quota of sugar, which was not lifted by the societies in the month of February, in March quota.

The Food Assistant is reported to have assured that the balance quota would be included in March quota and the necessary sugar permits would be issued to the societies soon

Madhwacharya's Message Explained

Mysore, March 3

Vasudeva - who later became famous under the name of Madhwacharya was precocious child He used to grasp and comprehend things quickly, so much so that his preceptors had just to state the Vedic texts once, and the boy would repeat them correctly without the least flaw, said Sri D. R Narayana Murthy, Reader, Somani College of Education, while addressing the Sarvabhasha Saraswathi Sangha recently.

After studying the Vedas, Upanishads, etc., he was initiated into Sanyasa by Achyutapekshacharya. He moved from place to place vanquishing several scholars in religious disputations. Later he founded eight Mutts in Udipi and departed from this world in 1318, he said.

Prof. M.V. Jambunathan welcomed the gathering. Sri R. Krishnaswamy proposed a vote of thanks.

AIR, TV Trust Idea Opposed

Mysore, March 11

The proposal for creation of a Single autonomous trust for AIR and TV has been opposed by Sri M.S. Gurupadaswamy, Vice-President of the State unit of Janata Party.

In a statement, the Janata leader said the concept of trusteeship was alright for religious and such other institutions. What was needed was not a single trust, which as a monolithic structure, would be injurious to the growth of TV and AIR, Sri Gurupadaswamy said He strongly pleaded for two corporations, one for AIR and another for TV on the lines of the BBC. He said the Chanda Committee by and large had made similar recommendation and there was no justifiable reason for the working group of autonomy for AIR and Doordharshan to deviate from this.

Sri Gurupadaswamy also opposed the proposed change in name of Akashavani as Akash Bharati and said there was no need to effect any change

Chaluvaligar

Mysore, March 13

The Mysore (City) Kannada ChaluvaligaraKendra met here on Friday and regretted that the local Kannada Chaluvali Organisation was ignored while selecting the candidates for elections to the State Assembly on Chaluvali tickets.

However the Kendra did not name those who selected the candidates, but it was believed the criticism was directed against the leadership of Sri Vatal Nagaraj.

The meeting decided to organise a district level conference of Chaluvaligars next month. It noted with happiness that Dr. D. Javare Gowda, former Vice-Chancellor and Sri T. R. Subba Rao, writer, had agreed to guide the Chaluvaligars.

The following office-bearers were elected to the Kendra Messrs. R.S. Murali, (President) R. Chandrasekhariah (Vice President), Thayur Vittala Murthy and Dodde Gowda (General Secretaries), Mahalingu (Joint Secretary), C. L. Nagaraj (District Convener) and C Ramanna (City Convener).

Sri A. Ramanna Vice-President of the Mysore City unit of Janata Party and former member of the Southern Railway Users Consultative Committee yesterday charged that Railway administration had been in "conspiricy" to close the Railway ticket issuing centre in SayajiRao Road.

In a statement, Ramanna said the ticket issuing centre had been greatly beneficial to the villagers. When attempts were made to close the centre two years ago he had strongly opposed the move. Now, Sri Ramanna added, Railway administration had come out with a new proposal to keep open the centre between 7-30 to 10-30 a.m. and 1-30 to 6 30 p m This restricted hour of working would serve an excuse for ultimate closure on the ground that it was "uneconomical".

Snap Strike By K. R. Hospital Staff

Mysore, March 14

Work in the Krishnarajendra Hospital was almost paralysed for most of the day as the staff nurses, student nurses, house surgeons and ward boys went on a lightning strike as they were agitated over the alleged assault of a lady nurse on duty Sunday night by a patient.

The kitchen staff also joined the strike. The patients went without their usual bread and milk and food next morning Only emergency cases were attended and near normalcy was restored at about 4 p.m. when most of the workers on persuasion by officials and non-officials attended the work.

It was stated that four persons Messrs Gajanana Prasad, Palaksha, Bheema sena Rao and Ramachandra Murthy who were injured in a car accident, near Chamarajanagar, were brought to the hospital for treatment at 8 30 p m on Sunday. The duty doctor admitted Messrs Gajanana Prasad, Palaksha and Bheemasena Rao in the surgical ward for treatment. Sri Ramachandra Murthy was pronounced dead. It was stated that one person who had accompanied the injured abused the duty doctor when there was delay in getting the treatment.

It was alleged that when Gajanana Prasad was being taken to the orthopaedic ward he caught hold of a staff nurse. Smt. Stella Vasantha Rani and assaulted her when she pleaded her inability to provide a cot as they were all occupied. The nurse reported the matter immediately to the Resident Medical Officer who sent a complaint to the Devaraja Police.

On receipt of the complaint the police registered a case.

Yesterday Class Three and Class Four employees abstained from work demanding the arrest of the person who had assaulted Smt. Rani. The junior doctors and house surgeons also joined the strike, Police Superintendent S. A. Subbaiah with other officials rushed to the hospital.

About 1,000 staff members gathered in the pospital premises, and shouted slogans. Meanwhile, one Prakash Dabu, who was found in the hospital premises, was identified by the agitators as one of the persons involved in the incident They wanted the police to take action. The police assured them that they would take him to the police station and make enquiries and took him into the jeep. but the police managed to take him to the police station

The agitators demanded the arrest of Gajanana Prasad. He was arrested and taken into the police station after his discharge But their demand that he should be handcuffed and paraded in their presence was rejected. Later he was produced before the Magistrate. The police acted with the utmost restraint and tact DIG Balakrishna Rao visited the spot

Meanwhile, Police Superintendent Subbiah. Hospital Superintendent Tahir and labour leaders A Ramanna, Vedantha Hemmige and Thimme Gewda met to restore normalcy in the hospital.

After group discussions the Action Committee announced before Deputy Commissioner Arya Mitra Special Deputy Commissioner Suresh and Sri Subbiah that the staff would attend to duty wearing black badges till the cases against those involved in the incident were brought before the court. The Action Committee also demanded a judicial enquiry into the incident.

V-C HAILS CHINESE ZEAL FOR WORK

Mysore, March 15

The most striking feature of the life of people in China was their total commitment to work to create a better society, Vice Chancellor D. V. Urs said on Monday.

Addressing the members of the Mysore University Post Graduate Teachers' Association on his impression of China, which he visited in December last, Sri Urs said even children of 12 years were given simple tasks to perform. Education was made to reach the people. There was least emphasis on "sophistication within the classroom and on technology, but tremendous emphasis on maximising the output.

The Chinese had been able to solve their food and clothing problems. Housing was simple and though there was some shortage of Housing, the problem was on the way to be being solved. Dress was simple and functional", he said.

He said universities were committed to studies relevant to the needs of society. A computer factory was attached to the Peking University. Teachers students and workers work together Universities were managed by a political committee which consisted of the faculty, students, workers and representatives of the party There was absolutely no class discrimination.

Prof. L. Basavaraju, Association President, welcomed the gathering Prof. B.V Govindaraju, Treasurer, proposed a vote of thanks.

2 Communication Satellites By 1981

Mysore, March 21

India's communication satellite, proposed to be launched in 1981, is likely to be put into orbit from a space shuttle, Dr. U. R. Rao, Director, ISRO Satellite Centre, Bangalore, said yesterday.

Delivering a lecture on "Space Technology for the Developing Countries", Prof. Rao said that the satellite scheduled to be launched by the end of this year would have two TV cameras and three micro-wave radio meters. The TV cameras would take photographs covering an area of 350 kms by 350 kms of the earth. The satellite would send back the pictures to the ground stations in Sri Harikota and Ahembabad.

The second satellite, although looked primarily like the Aryabhata launched in 1975, would be more sophisticated, he said.

He said the Government of India had approved the purchase of a communication satellite in 1981. These two satellites would meet the country's TV and communication needs.

MYSORE'S DISTINCTION

Prof. Rao said that although space age came into a reality only about 20 years ago, Mysore had the distinction of being a pioneer in the use of rockets. The first operational rocket in the world was originated in Mysore during the time of Hyder Ali in 1785. Tippu Sultan improved these rockets and used them against the British in the Mysore Wars. The Mysore Army had two rocket divisions.

Prof B Sanjeeviah, Head of the Physics Department, Mysore University presided. Prof Sreedhara Murthy welcomed the gathering.

WORLD UNITY

Many argue over the means by which to uplift mankind from the rut into which it has fallen, but little is being done Why? What is the key element that our savants, politicians and economists are overlooking in their attempts at world peace and unity ? A simple, unbiased study of the last six thousand years of human history will reveal the answer - Religion.

In each age religion has brought forth a mighty civilization. This is not what history merely notes, but proves beyond a shadow of a doubt And one must admit, in the final analysis, that the story of man (history) is really the story of his religion. In one of His speeches, given below, Abdu'l-Baha (son of Baha'u'llah, the Prophet Founder of the Baha'i Faith) explains the two-fold nature of religion and why it succeeds in uniting man where other modes fail.

"Brotherhood is of different kinds. It may be familial, the intimate relationship of the household. But this is limited and subject to change or disruption; how often it happens that in a family, love and agreement are changed into enmity and antagonism. Another form of brotherhood is patriotism. Man loves his fellow-men because they belong to the same nativity. This, too, is limited and subject to disintegration as for instance when sons of the same motherland are opposed to each other in a civil war Still another type of fraternity is that which arises from racial unity, the oneness of racial origin, producing ties of affinity and association. However, this likewise has its limitation and liability to change, for often war and deadly strife have been witnessed between people and nations of the same racial lineage. There is a fifth kind of brotherhood, the altruistic love of humankind and recognition of the fundamental human bond; yet although this is unlimited it is nevertheless susceptible to change and destruction Even in this universal fraternal bond the looked for [illegible] loving kindness among all human creatures in a firm, indestructable brotherhood does not appear Therefore it is evident that fraternity, love and kindness based upon family, nativity, race or an attitude of altruism are neither sufficient nor permanent since all of them are limited and may change or be destroyed.

Therefore the Lord of mankind has caused His holy divine Manifestations (Avatars) to come into the world. He has revealed His heavenly teachings in order to establish spiritual brotherhood and perfect fraternity amongst mankind Such a brotherhood and love being spiritual in character, this loving-kindness being heavenly, these constraining bonds being divine, a unity appears which is indissoluble, and never subject to transformation.

It is evident therefore that the foundation of real brotherhood, the source of true kindness and unselfish devotion is none other than the breaths of the Divine Being. Without this influence and animus it is impossible. While we may be able to realize some degrees of fraternity through other motives, there are limited associations subject to changes. But when human brotherhood is founded on the teachings of the Supreme, it is eternal and changeless.

The world of humanity is one andGod is equally kind to all. What then is the source of enmity and alienation among humankind? The underlying cause is lack of religious unity and association, for in each of the great religions we find superstition, blind imitation of creeds, and theological formulae adhered to instead of the divine fundamentals, causing difference and divergence instead of agreement and fellowship. However, if we investigate the foundations of the divine religions we find them to be one, absolutely changeless and never subject to transformation For example, each of the divine religions contains two kinds of laws or ordinances One division concerns itself with spiritual verities and teachings,these are the essential ordinances. They instill and awaken the knowledge and love of God, love for humanity, the virtues of the world of mankind, the attributes of the divine kingdom, and birth from the kingdom of nature. These constitute one kind of divine law which is common to all religions and never subject to change.

The second division comprises laws and institutions which provide for human needs and conditions according to exigencies of time and place. These are not of essential importance and should never have been made the cause of human contention.

In 1863, Baha'u'llah (meaning the Glory of God), a Persian Prince, declared himself the fulfilment of the prophecies of all the past Holy Scriptures In His teachings, He laid the foundation for a world government and economic order; said that religion and science must be in harmony if man is to progress; instituted the equality of opportunity for both men and women; stressed the need for a universal auxiliary language; and set forth numerous other principles; laws and spiritual teachings whereby the unity and liberation of man might be ensured.

For those individuals who seek the solution to the problems of our time, the Baha'i community invites you to investigate the claim and the teachings of Baha'u'llah. Enquiries may be made at the Baha'i Centre (4758, N.R Mohalla, Mysore-7), or at Indra Bhavan (Dhanvantri Road) each Sunday at 6 to 7-30 p m. If you would like a free Baha'i correspondence course, please write to Baha'i Centre, 15, Commissariat Road, Bangalore-25

Co-op Laws Need Rethinking, Kundu

Mysore, March 25

Time had come for a rethinking on the co-operative laws, Minister of State for External Affairs Samarendra Kundu said yesterday.

Inaugurating the diamond jubilee celebrations of the City Co-operative Housing Society, he said that co-operative movement was very much essential in a country like India for establishing an egalitarian society. Therefore, the movement should gain momentum. It should be strengthened with more freedom and responsibility.

He said welfare programmes should be tackled above party level. Welfare of the people should be important than the party or the party politics.

PWD Minister S. Bangarappa, who presided, said that there was no need for any doubt about the Centre-State relationship just because two different political parties were in power at the Centre and the State

The State would be extending its full support to all good programmes of the Centre intended for the welfare of the people, he said.

Sri Srikanta Sharma welcomed and Sri M. C. Krishna Swamy read the messages. Society President M. A. Alappa and Vice-President R. G. Shamanna presented addresses to the Ministers. Sri Vedantha Hemmige proposed a vote of thanks.

READERS' FORUM

Kudos To Corporation

Sir,-It is heartening to learn that taxes on tongas, bullock carts and push carts have been abolished by the City Corporation.

I had read some time ago that stray dogs caught by the corporation are not to be killed, but left off in the forests. Another good measure of the then Municipality of ours was to remove the cycle tax.

In the same strain, may we ask the corporation authorities to reduce the tax now levied on poor people living in squally huts and buildings. They are feeling it a great burden to pay even this small tax

A succession of such measures will win the love and esteem of the people towards the officials of the corporation.
